Background Summary

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, was signed, providing \$5 billion for Community Development Block Grant (CDBG) to rapidly respond to COVID-19 and the economic and housing impacts caused by this unprecedented crisis. The Act also provided \$4 billion for Emergency Solutions Grant (ESG) to prevent, prepare for, and respond to the Coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19.

The City of Toledo, an entitlement city, receives annual grant allocations from the U. S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG) and HOME Investment Partnership Program (HOME). The overall purpose of the CDBG, ESG and HOME programs is to assist low- and moderate-income families and households. The funds are used to pursue three goals:

- Provide decent, affordable housing;
- Create suitable living environments; and
- Expand economic opportunities.

In order to access these federal funds, the City must carry out a planning process, called the Consolidated Plan, to identify the scope of housing and community development needs in its jurisdiction and how the available funding can best be used to meet those needs. The Five-Year Consolidated Plan term began on July 1, 2015 and concluded on June 30, 2020. A full copy of the Five-Year Consolidated Plan is available for review at the City of Toledo's Department of Neighborhoods as well as the department's website.

Each year, the City of Toledo prepares an Annual Action Plan that describes the projects and actions it will undertake to carry out the strategies outlined in the Five-Year Consolidated Plan.

The City of Toledo proposes the addition of a new COVID-19 related activity. This requires a 2nd Substantial Amendment to the 2015-2019 Five-Year Consolidated Plan and the 2019-2020 Action Plan.

Introduction

The 2nd Substantial Amendment was prepared per 24 CFR part 91.505 - Amendments to the Five-Year Consolidated Plan.

1. To add programming of **\$1,526,505** in CDBG-CV funds.

The City is proposing the following amendment to the 2015-2019 Consolidated Plan and 2019-2020 Action Plan in order to add an eligible activity that was not previously identified:

1. To add a new COVID-19 related activity.

2. SUMMARY OF CONSULTATION PROCESS
 - a. Consulted with Pathways – A Community Action Agency in Toledo, Ohio

Summary of Consultation Process

The City of Toledo works with other City of Toledo Departments to promote and protect the health and welfare of City of Toledo residents.

The City is currently operating an Emergency Rental Assistance Program (ERAF) to provide up to three months of rental assistance for low- and moderate-income families experiencing job and income loss as a result of COVID-19. The ERAF Program is operated in partnership with Lutheran Social Services of NW Ohio and NeighborWorks Toledo Region. As of December 7, 2020, the ERAF Program assisted 578 income eligible households with emergency rental assistance. ERAF

oversight which included weekly emails, zoom calls, and telephone communications demonstrated the need for mortgage assistance, in light of callers requesting assistance and denial of ERAF applications for ineligible mortgage assistance.

Secondly, Pathways, the Lucas County Community Action Agency is currently operating a Home Relief Program that provides emergency mortgage assistance with State of Ohio CARES Act funding. Eligible household income is capped at 200% of the poverty level, significantly below the eligible household income of 80% area median income that will be allowed under the proposed emergency mortgage assistance program. Telephone consultation with Pathways has indicated that many applicants with income above the 200% poverty level cannot qualify for emergency mortgage assistance through the existing Home Relief Program.

This Substantial Amendment to the 2015-2019 Five-Year Consolidated Plan and 2019-2020 Action Plan will allow the City to fund an Emergency Mortgage Relief Program to assist low to moderate-income residents of the City of Toledo affected by COVID-19.

3. SUMMARY OF CITIZEN PARTICIPATION PROCESS

- a. Summarize citizen participation process used
- b. Summarize the public comments or views received
- c. Summarize the comments or views not accepted and include the reasons for not accepting those comments or views

Citizen Participation Process

In accordance with HUD federal regulations CFR 91.105 and 91.200, the City of Toledo maintains a Citizen's Participation Plan (CPP). This plan was previously amended in June 2020. The CPP was amended to add language to include the following: Virtual Public Hearings, a truncated process for 5-day notice and comment period, HUD waivers of statutory suspensions and regulatory waivers to HOME Participating Jurisdictions, to allow waiver of 30% or more change in the total annual grant allocation, waivers for disaster recovery and emergency response, activities exempt from Substantial Amendment Citizen Participation requirements and responding to COVID-19 Pandemic.

The CPP ensures that the City of Toledo solicits and utilizes input from citizens, community agencies and beneficiaries, allowing full participation at all levels such that allocation and utilization of HUD funds are conducted in an open manner with freedom of access for all interested individuals. 5. PROPOSED ACTIVITY AND BUDGET

Overview

The financial impact of the COVID-19 pandemic has presented a threat to the housing stability of many low- and moderate-income (LMI) homeowners here in Toledo. The pandemic has caused an unprecedented job loss and income reduction. As a result, many LMI households have been unable to maintain current payments for their mortgage. According to a survey conducted by the Ohio Realtor Association, "Nearly one-quarter (23 percent) [of respondents] said they have faced challenges paying their rent or mortgage due to the Coronavirus outbreak. Younger residents are more likely to have experienced a Coronavirus-related financial impact than their older counterparts." With this in mind, it is incumbent on the City of Toledo to address this challenge head-on. The City of Toledo will utilize **\$1,526,505.00** from COVID-19 Community Development Block Grant (CDBG-CV) funding to establish the City of Toledo COVID-19 Emergency Mortgage Assistance Program (EMAP). This funding will be utilized for Planning and Administration and for

Emergency Mortgage Assistance to stabilize owner-occupied housing for the most vulnerable families as the City continues to rebound from this global crisis.

Program Summary

EMAP will assist approximately **150** low- to moderate-income eligible households in the City of Toledo with 6 months maximum of “Emergency Mortgage Assistance” (hereinafter defined).

“Emergency Mortgage Assistance” shall mean payment of money from the City to the Mortgage Servicer for the benefit of an eligible recipient.

EMAP will provide mortgage assistance up to covering a six consecutive month period.

Assistance may include: monies for mortgage arrearages and late fees as well as current and future payments for mortgage principal and interest. Taxes and Insurance may be paid if included in the regular mortgage payment to fund an escrow account. Only one application per property is eligible. Applicant must be the named Owner. The current gross household income must not exceed 80% of the area median income. The Owner must reside in the property and use the property as Primary Residence. The property must be a 1-4 residential unit property (at least one unit must be owner-occupied). Rental Units, Land Contract, Reverse Mortgages, HELOC and Home Equity Loans are not eligible. The property must not be listed for sale. Emergency Mortgage Assistance payments will be issued directly to the Mortgage Servicer.

Program Operation

The Department of Neighborhoods (DON), Housing Division will accept, process, and approve EMAP applications on a first come first serve basis. **Applications will be accepted beginning February 15, 2021 through May 14, 2021.**

Eligible Program Participants

- Own a 1-4 residential property house in the City of Toledo
- Owner must occupy at least one unit as primary residence
- Have a 1st lien/primary mortgage with a past due balance
 - ❖ Must have been current on the mortgage as of February 29, 2020
 - ❖ Must provide all recent correspondence from the Mortgage Servicer
- Property must not be listed for sale
- Demonstrate loss of income due to COVID-19
 - ❖ Applicants must submit documentation of most recent 30 days’ income (i.e. paystubs, letter of layoff or termination, records of unemployment, etc.) and bank statements.  - ❖ Applicants without current income must complete a Self-Certification of Zero Income form which must be notarized.
- Have a maximum household income at or below 80% of the area median income (“**AMI**”) at the time of application, adjusted for household size:
 - ❖ To calculate what percent of the area median income a homeowner’s income is, take the household’s income and divide it by the 100% AMI income for a household of the same size.

- ➔ Example: Jane and her husband have 2 children and collectively make \$34,500 a year
- ➔ The 100% annual household income for 4 is \$68,900
- ➔ $\$34,500 \div \$68,900 = 50.0\%$ of AMI

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

VIRTUAL PUBLIC HEARING SUMMARY

2nd SUBSTANTIAL AMENDMENT TO THE 2015-2019 FIVE-YEAR CONSOLIDATED PLAN

January 14, 2021, 5:30 p.m.

A Public Notice was posted on electronic media and published in local newspapers announcing the virtual public hearing. Due to the COVID-19 Pandemic, the public hearing was held virtually and was accessible to the public through live streaming. Those attending were given the opportunity to ask questions and provide comments. Two persons were in attendance at the virtual public hearing.

Rosalyn Clemens, Director, Department of Neighborhoods, began by explaining that the public hearing was a HUD-required process to provide input and comment on the City of Toledo's expectations, or programming, for this round of Community Development Block Grant (CDBG) COVID-19 funding the City has received.

Bonita Bonds, Commissioner of Administrative Services, Department of Neighborhoods, stated that this is the 2nd Substantial Amendment for the CARES Act funding the City has received due to the pandemic. The award amount for this round of CARES Act funding is \$1,526,505.00. Commissioner Bonds explained that, in early 2020, the City of Toledo was awarded its first rounds of CARES Act funding as a result of the COVID-19 pandemic. As a requirement in receiving those funds, the City amended its 2015-2019 Consolidated Plan and 2019 Annual Action Plan, along with its Citizen Participation Plan.

Commissioner Bonds further explained that, in December 2020, the City put together a Public Notice notifying citizens of the public hearing and how the CARES Act funds would be spent. In addition, a press release was sent to inform the community about the process and a five-day comment period was provided for giving citizens an opportunity to comment. On January 8, 2021, the Draft 2nd Substantial Amendment was made available for review by the community.

Director Clemens spoke about the Emergency Mortgage Assistance Program for which the City proposes to use this round of COVID-19 funding. She explained that the City has been operating a rental assistance program in partnership with NeighborWorks Toledo Region and Lutheran Social Services. To date, the City has assisted approximately 620 individuals with up to three months of rental assistance. Throughout this process, the City has seen many homeowners in need of mortgage assistance due to negative economic conditions caused by COVID-19. To assist in addressing this need, the City is proposing to use the additional COVID-19 funds for emergency mortgage assistance.

Tiffanie McNair, Housing Commissioner, Department of Neighborhoods, reviewed the proposed guidelines and application process for the Emergency Mortgage Assistance Program. She stated that most of the CARES Act funding will be used for direct assistance, as well as for planning and administration costs for the program. The program will provide assistance to a minimum of 150 low- to moderate-income households in the City of Toledo for up to six consecutive months of delinquent or forborne balances, including late fees and penalties. Applications will be accepted over a three-month period beginning February 15, 2021, and awards will be made on a first-come, first-served basis. The program will be administered by the City of Toledo, Department of Neighborhoods.

After her presentation, Commissioner McNair invited those in attendance to ask questions. There were no questions from those attending.

Commissioner Bonds then outlined the next steps in the legislative process for the 2nd Substantial Amendment, including the submittal, review, and passage of legislation by Toledo City Council. She stated that after passage of the legislation, the 2nd Substantial Amendment would be submitted electronically to the U.S. Department of Housing and Urban Development (HUD).

In conclusion, Director Clemens reiterated that the Emergency Mortgage Assistance Program would be launched on Monday, February 15, 2021. A kick-off event will be held and information regarding the program will be available on the City of Toledo's website.

Director Clemens ended the public hearing with thanking those in attendance.

The public comment period began on Monday, January 11, 2021, and ends on Friday, January 15, 2021. Written comments should be sent to the City of Toledo, Department of Neighborhoods, One Government Center, Suite 1800, Toledo, OH 43604.

The 2nd Substantial Amendment to the 2015-2019 Five-Year Consolidated Plan will be submitted to HUD on February 5, 2021.

Amendment:

This is a 2nd amendment to the 2015-2019 Five-Year Consolidated Plan for the COT to enable the COT to receive \$1,526,505.00 in Community Development Block Grant-CV (CDBG-CV) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

Additional CDBG funding made available to the COT by HUD through the CARES Act is unknown as this time but will be used for the same purpose of the initial allocations indicated above which is to prevent, prepare, or respond to the spread of Coronavirus 19 (COVID-19) and facilitate assistance to eligible agencies, households, and persons economically impacted by COVID-19. In addition, the COT may reprogram recaptured FY 2019-2020 CDBG funding as needed to respond to COVID-19.

Eligible CDBG activities include, but are not limited to, assisting low- and moderate-income households with mortgage assistance for no more than 6 months and support of other COVID-19 response services.

Further, eligible CDBG costs incurred as of March 1, 2020, and paid for with nonfederal funds may be repaid with CDBG funding, including those made under the CARES Act. These pre-award costs will meet all HUD requirements applicable to CDBG, including those under the CARES Act. Unless waived by HUD, CDBG pre-award costs for FY 2020-2021 will not exceed 25% of the grant and will be used for the CDBG-eligible activities as indicated above.

Public notices regarding future amendments to the Consolidated Plan will be printed in local newspapers and posted online on the COT's website at www.toledo.oh.gov.

Lastly, in the 1st amendment, the COT revised the Consolidated Plan's Citizen Participation Plan to include the 5-day comment period as indicated above as well as to make other changes. As required by HUD, the Consolidated Plan brings together, in one (1) consolidated submission, the planning and application aspects of the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) Programs. More information on the Consolidated Plan is available on the COT's website at: <https://toledo.oh.gov/departments/neighborhoods>.

Amendment:

This is a 2nd amendment to the 2015-2019 Five-Year Consolidated Plan for the COT to enable the COT to receive \$1,526,505.00 in Community Development Block Grant-CV (CDBG-CV) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

Additional CDBG funding made available to the COT by HUD through the CARES Act is unknown as this time but will be used for the same purpose of the initial allocations indicated above which is to prevent, prepare, or respond to the spread of Coronavirus 19 (COVID-19) and facilitate assistance to eligible agencies, households, and persons economically impacted by COVID-19. In addition, the COT may reprogram recaptured FY 2019-2020 CDBG funding as needed to respond to COVID-19.

Eligible CDBG activities include, but are not limited to, assisting low- and moderate-income households with mortgage assistance for no more than 6 months and support of other COVID-19 response services.

Further, eligible CDBG costs incurred as of March 1, 2020, and paid for with nonfederal funds may be repaid with CDBG funding, including those made under the CARES Act. These pre-award costs will meet all HUD requirements applicable to CDBG, including those under the CARES Act. Unless waived by HUD, CDBG pre-award costs for FY 2020-2021 will not exceed 25% of the grant and will be used for the CDBG-eligible activities as indicated above.

Public notices regarding future amendments to the Consolidated Plan will be printed in local newspapers and posted online on the COT's website at www.toledo.oh.gov.

Lastly, in the 1st amendment, the COT revised the Consolidated Plan's Citizen Participation Plan to include the 5-day comment period as indicated above as well as to make other changes.
