

Compare Business Checking Account Options

Let's get down to business with checking accounts that streamline your everyday processes. Our checking accounts come with these convenient features so you can focus on more important work.

MasterCard® Business Debit Card gives you quick access to your money while earning reward points. Effortlessly give multiple users access to one account while tracking and monitoring spending with one statement.

Business Internet Banking¹ will help create back office efficiencies with the ability to streamline monthly reporting, transfer funds, process stop payment, originate ACH and wire transactions, pay vendors and employees with bill pay and more.

Business Mobile Banking allows you to view transactions, transfer funds, approve pending ACH and wire transactions, pay bills and deposit checks¹ all while on the go.

Remote Deposit Capture¹ saves you a trip to the bank by scanning and depositing checks electronically from your office.

Night Depository Boxes are available at all Premier Bank branches. Deposits are secure and processed the next business day.
